

KAT BROWN

Dancer and Instructor

Jazz

Kathleen (Kat) Brown has been teaching dance for over twenty years now. She has taught jazz, ballet, hip hop, musical theater and tap to students ranging from ages three through adult at several studios in the Orange County and Los Angeles areas. She began to choreograph at the young age of thirteen when her music teacher acknowledged her talents and had her choreograph the school musicals. At the age of eighteen she received a scholarship at Dupree Dance Studio in Hollywood, which was one of the top dance studios in the area at that time. Since then she has choreographed for the Southland Ballet Academy and Fusion Studios. She enjoys what she does and is blessed to be able to continue to do it.
